Dear Sir / Madam,

Sub: Resuming of production and manufacturing operations at Company's Manufacturing Facilities.

In continuation to our earlier communication dated March 23, 2020, we would like to inform you that Company has made applications with the local authorities seeking their consent to start our operations in a phased manner wherever possible. In response to our application few states, viz., Odisha (Balasore), Jaisidih (Jharkhand), Golan (Gujarat) & Jhajjar (Haryana) have provided their approval for starting manufacturing activities subject to fulfilling of certain conditions in line with MHA guidelines. The Company is considering the same seriously for compliance and then starting the manufacturing activities in the said plants. Also the company has started few dispatches in the unaffected areas.

The Company has put in place all precautionary measures, testing and monitoring mechanisms as required by the respective MHA and State Government guidelines with respective to maintaining hygiene conditions, sanitization, monitoring temperature of all employees/workforce, social distancing etc., while commencing the operations.

Our products already in the distribution channels will continue to be available for sale in unaffected geographies.

Our international operations are working at reduced capacities in line with local stipulations and we are fully compliant with all regulations in those geographies. Sales are continuing through multiple channels and we will share an update when normalized activity is resumed.

HIL prioritizes safety and health of its employees and also its customers and will ensure that it is fully geared to scale up when permitted.

Further, due to the Covid 19 pandemic and the restrictions imposed by the Government(s), we are working from home with limited infrastructure and hence, unable to submit signed disclosures. Considering the above, we request you to consider this outcome as sufficient compliance and take the same on your record and arrange to bring the same to the notice of all concerned.

The above disclosure is also available on the website of the Company @ www.hil.in
